by Mel R. Brashears

Introduction

5 June 2022

Mel Brashears has researched the genealogy of his 5 grandchildren beginning in 2007. The following website contains the resulting family history.

The Username is Family and the Password is MelsTree.

<http://www.melsgenealogy.org>

The resulting FamilyTree contains over 2,000 grandparents of his grandchildren.

This Book is intended to preserve the Family Tree information in a PDF file for future generation independent of the online Website content, GEDCOM and digital family tree files.

Mel has published 7 books on this genealogy and all are available in iTunes. The titles are:

Descendants: The Brashears Line with DNA Results

Descendants: The Dollins Family with partial DNA Results
